PLASTIC BUILDING PIECES

Think outside the blocks with the strategically shaped pieces in the Soz Carpenter Block Mini Bucket. Fit them together to build animals, skyscrapers, and more.

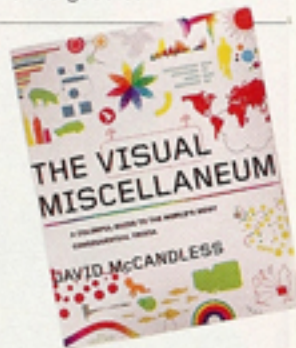

TO BUY: \$44, roseandradish.com.

EMBROIDERED NAPKINS

Feel extra good about this gift that's hand spun by women in the mountains of Pakistan. Each purchase supports the artisans and helps conserve the country's snow-leopard habitat.

TO BUY: \$18 for four, worldofgood.com.

THE VISUAL MISCELLANEUM

What would a periodic table of condiments look like? Designer David McCandless envisions that and more in this 320-page book of infographics. (From HarperCollins.)

TO BUY: \$27, harpercollins.com.

VOTIVE-CANDLE HOLDER

The sculptural Arcadian Forest Tea Light Votive Candle Holder by Roost gives off a magical sheen when lit from within.

TO BUY: \$38, orange and pear, andpear.com.
