Fashion and love come together seamlessly in the **Fashion for Autism Campaign!** **Kyle's Treehouse** gives art classes to children living with autism. By purchasing a tee shirt you are not only supporting and raising awareness for the cause, but you can look totally fabulous in a tee shirt designed by artist Jessie Rose Vala. Sure you can throw it over jeans or you can wear it with Kova & T Ruffle mini skirt (\$380), Vivienne Westwood Tuxedo Jacket (\$467.60), with Giuseppe Zanotti peep toe ankle booties (\$850) and top it off with Kara Ross Teal Croc Print Bangle (\$175). You will see me in New York during Fashion Week as I have fun creating different outfits with this tee shirt!! Get your tee shirt at Fashion for Autism for \$30.
