Linnea's Lights® candles combine natural soy wax, lead-free cotton candle wicks, pure essences and fine fragrances to create clean burning, perfectly scented and highly aromatic candles. Each candle is triple scented so the subtle fragrance keeps throughout the entire burn.

All of the expertly handcrafted candles are meticulously hand-poured in small batches and tested for quality. Each signature double wicked glass candle provides over 60 hours of illumination and is mindfully packaged in recycled materials, printed with soy inks and hand stamped.
