Introducing the Chocolate Cameo Gift Set
Vosges Haut Chocolat's newest collection of holiday spices & Christmastime characters

This Chocolate Cameo Gift Set contains some of Christmas's most classic namesakes, molded into decadently spiced chocolate discs, perfect both for nibbling & for decorating. The cameos are packaged so they can hang on your tree as ornaments, or can be devoured instantly!

The set is made using Vosges Haut Chocolat's secret holiday recipes, so that each cameo is created with unique holiday spices, relevant to the character's story. The collection tells the tale of their adventures, from Mrs. Claus's real job, to Vixen's mischievous Christmas-Eve habit.

Cameo characters & parfums include:

MRS. CLAUS

Gingerbread spiced toffee + 65 % cacao milk chocolate

Naughty or nice? Mrs. Claus is the one who gets to decide. She stirs up batches of bubbling gingerbread caramel for the nice... and the naughty, too! Sprinkled with magic elf dust, this chocolate cameo is made of gingerbread spiced toffee and milk chocolate, and prepared specially for a trip down the chimney with Santa!

EBENEZER

Sweet butter toffee + walnuts + pecans + 45% cacao milk chocolate

Ebenezer was once a cold hearted and greedy man with a distaste for the merriment of Christmas. That is, until he awoke one morning with a curious toffee candy bar on his bed-stand, and found that a new, sweet feeling had overtaken him.

ESME THE ELF

All natural candy cane + peppermint + 62% cacao dark chocolate

According to legend, Esme the Elf tells of a winter honeybee, a rare species found only in the North Pole, who is quite large, with alternating red and white stripes on its body. Above anything else, the winter honeybee has a wild affinity for peppermint flowers, and, under Esme's guidance, the bee's mission is to gather the mint leaves for Mrs. Claus' dark chocolate and peppermint candy bars.

VIXEN

All natural candy cane + peppermint + 45% cacao milk chocolate

You know Dasher and Dancer and Prancer. Then there's Comet, Cupid, Donner, Blitzen and of course Rudolph. But Vixen, the only girl reindeer, is a bit mischievous, and is often found sneaking off, making angels in the soft powder, toppling snowmen and stealing peppermint candy canes from stockings.

MISS IVY

Sicilian almond marzipan + amaretto + 62% cacao dark chocolate

Did you know that Santa has horses AND reindeer? Mrs. Claus is terrified of heights and would never fly in the sky with her husband, so Santa keeps seven horses at the ranch, and only one with a silver-white coat, named Miss Ivy. Miss Ivy's favorite treat is a dinner of almonds mixed with sugar, so this horseshoe shaped cameo is just for her!

The Chocolate Cameo Gift Set contains five, 1 oz. solid chocolate cameo ornaments, \$34.5
